EDUCATION

University of California, San Diego

Ph.D. in Computer Science

Advisor: Jingbo Shang

San Diego, CA

Sep 2025 – Dec 2028 (Expected)

University of California, San Diego

B.S. in Computer Science

Advisor: Jingbo Shang

San Diego, CA

Sep 2021 – Jun 2025

EXPERIENCE

Jump Trading

Quantitative Research Intern

Chicago, IL

Jun 2026 – Aug 2026

- Hand-designed and systematically discovered novel signals for global futures; multiple adopted into production.
- Placed 1st in 6 of 8 intern-vs-intern mock trading game sessions (8 teams per session, reshuffled each session).

Esports Prediction Market Trading

Independent Project

San Diego, CA

May 2026 – Jun 2026

- Built an automated Kalshi trading system for LoL esports; dynamically fuses in-game features with market priors.
- Profited +4.7% ROI across 128 live trades despite ~20s extra delay vs. public stream and 7% one-way friction.

AutoCode

Research Lead

San Diego, CA

Jul 2025 – Sep 2025

- Built AutoCode for LLM-based competitive programming generation; 99% judge consistency vs. 81% SOTA.
- Licensed AutoCode datasets to an industry partner for \$100K+; quality verified by Grandmaster-level experts.

LiveCodeBench Pro

Research Lead

San Diego, CA

Mar 2025 – May 2025

- Co-led a team of 20 researchers from NYU, Princeton, UCSD, and UW to benchmark LLMs on ICPC problems.
- Quantified the major gap to Grandmasters: LLMs score 0% on hard problems and fail observation-heavy problems.

Codeforces

Problem Setter

Remote

Jan 2021 – Jul 2024

- Authored and prepared a Codeforces Div 1 + 2 contest for over 25,000 participants as the 18th independent setter.
- Ranked among the Top 100 contributors on Codeforces for high upvotes on contest problems and tutorials.

HONORS AND AWARDS

22nd Place, ICPC World Finals	2023
5th Place, ICPC North America Championship	2023, 2024
Champion, ICPC North America West Division	2023
Champion, ICPC NSA Challenge	2024
8th Place, USACO Open Contest, Platinum Division	2020
International Grandmaster, Codeforces	2022
3rd Place, S.-T. Yau High School Science Award (Mathematics)	2020
Featured in <i>MIT Technology Review</i> , for work on LiveCodeBench Pro	2025
7 Dan, American Go Association	2022
Champion, North American Ing Go Cup	2024
Champion, StarCraft II Grandmaster Tournament	2020
Rank 1 Legend, Hearthstone Standard Ladder	2018
